MEMORANDUM FOR THE RECORD

SUBJECT : Concurrence in Amendment No. 6 to Contract No. 08-100
with Hycon Mfg. Company, Pasadena, California
Project CHALICE

25X1A

1. This memorandum contains a recommendation submitted for approval of the Deputy Director (Plans). Such recommendation is contained in Paragraph 5.

2. Contract No. 08-100 provides for the services of technical representatives overseas in connection with maintaining Project cameras and related equipment. This Amendment No. 6 establishes a redetermined price for Fiscal Year 1958 and 1959 services. Details concerning this settlement are reflected in the attached Exhibit "A". Inasmuch as audit and settlement were not effected on a fiscal year basis, we have prorated the total settlement amount on a percentage basis. This percentage basis was arrived at by using the amounts claimed by the contractor for each fiscal year against his total claim. This amounts to 71.82% for FY 58 or \$548,704.80 and 28.18% for FY 59 or \$215,295.20.

3. Obligations under this contract as a result of this settlement should be liquidated as follows:

Amount obligated	Fiscal Year	Fixed Amount	Amount to be liquidated
\$572,927.	1958	\$548,704.80	\$24,222.20
\$285,000.	1959	215,295.20	69,704.80

By concurrence to this memorandum the Comptroller signifies that funds have been liquidated as provided above.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses

involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, (formerly 10(b) see 85-507 dtd. 7/7/58) for each contract.

5. Approval of Amendment No. 6 to Contract No. OS-100 as written is recommended.
